Date _____

Scales: Metronome Setting _____ Starting in: Major Key ____ Minor Key ____

Arpeggios: Metronome Setting _____ Starting in Major Key ____ Minor Key ____

Students may begin at any place in the circle of fifths but must proceed in the correct sequence from that point. Do not repeat enharmonic keys. Students may have 4 metronome clicks between scales and three metronome clicks between arpeggios. After the first mistake students must restart in the key they are currently in. After the second mistake they are eliminated.

Mistakes may include: Wrong note, wrong key sequence, inconsistent fingering, going out of sync with metronome, stalling between keys, striking more than one key at a time, starting over or stuttering.

For judges use:

1st Mistake: (State if the mistake occurred in a scale or an arpeggio, what key it was, and what the mistake was.)

Elimination: (State if the elimination occurred in a scale or an arpeggio, what key it was, and what the mistake was.)
