

## **Level 10 Essay for 2023/24**

You may pick either of these two questions for your essay'

Please be sure to check the essay rules.

1. Examine and compare the learning experience of virtual piano instruction vs in-person lessons. Share data from other studies as well as your own personal experience if it applies. Discuss the benefits of each as well as the drawbacks. The use of technology should be included.

2. Discuss the piano duet and piano ensemble. You may consider things such as the history, the literature, important composers, and practice techniques. In addition, choose one specific advanced duet or ensemble composition and discuss its performance challenges, historical significance and/or theoretical or formal aspects.
