

Are you “Ready For It”? Did you have a “Cruel Summer”? No, we aren’t going to a Taylor Swift concert, but we are going to have an amazing year ahead with the meetings and programs. I’m so excited to see all of you again and hear about your summers, and what you have planned for your students in your studios. As you can see on the calendar, we have a couple more meetings planned for this year, like we did during pre Covid time. We can learn so much from each other with the many years of teaching experience we have.

I would like to mention, there will no longer be a Classical Festival and the All Star Festival has been moved to April.

The meetings will start at 9 a.m., but please come a couple minutes before to enjoy some social time. We will try to start the programs around 9:30-9:45 a.m. Bring another teaching friend along and recruit new members.

Thanks to Michael Rector, our vice president, for planning the programs with speakers. The topics are still being discussed. I really hope you can all make an effort to come to every meeting that you can. We love attendance of all the terrific teachers we do have!! It’s going to be an awesome year and we will all become better teachers!

Sincerely,
Your new president, Heidi Koeberl
