Calendar for 2024/25

The calendar, as presented by Micheal Rector, was accepted. The questioned dates will become share meetings. The final calendar including dates, locations and programs will be sent to Heidi K. for inclusion her welcome back letter in August. Heidi Lueck will check on the dates that are requested of New Hope Church and get the info to Michael and the cost to Kay Busse.

All other meetings will be at UWGB. The festival dates should be included as sent by Maggie Charnon.

It was suggested that Michael Rector, as VP, call for discussion items for the share meetings and request members to lead the discussion and operate under time limits when needed. Maggie Charnon will help him as part the Program Committee function.

Please send any corrections or omissions to Maggie Charnon.
