3. There were no Vice President remarks
4. Treasurer Report: The December report was sent out via email prior to the meeting. Charnon remarked that the Baroque expenses included the scholarships awarded to the winners. The scholarships came to \$295.00. So, the actual expenses for Baroque were 771.00 allowing for a profit of \$24.00!!! The current balance of the Treasury is \$7,985.37. However, there are several outstanding checks and when clear the balance should be \$7,344.37
5. Committee Reports:
  - Festival:** There were 39 students and 8 teachers in the Baroque fest. This is near the numbers of the last three years. The lowest level (early intermediate) had twice as many entries as the other levels, so it was divided in to two groups by age. There were no Advanced entries.
    - In two years, we will celebrate the 50<sup>th</sup> year of the Baroque festival. The committee is seeking ideas for recognizing the anniversary.
    - The next festival is All Star in late April. Please consider entering your students in any or all of the diversified events that make up All Star. If you

would like help or have questions please contact any festival Committee member: Cape, Cosner, Hay or Charnon.

**Website:** Teegarden noted that the Code of Ethics was incomplete on the website. Charnon agreed to search the back files to find the missing form.

6. Old Business:

**Monster Concert:** Charnon is representing the Forum to the Monster Concert Planning Committee. They are meeting next week. Please send her any questions or comments.

7. New Business

President Koeberl will be forming a nominating committee to seek candidates for the Treasurer and Vice President positions.

8. The meeting adjourned in a most timely fashion. A fun gift exchange and much merriment ensued.

Respectfully submitted

Maggie Charnon, Secretary.
